

# Group 1 - Sprint 7 review report

(Samuel Sarimo, Niko Mehiläinen, Auri Laitinen)

## Done tasks during this sprint:

- Set up JMeter performance testing and ran tests.
- Finalized acceptance test planning and executed.
- Wrote more unit tests; achieved 47% code coverage on SonarQube.
- Reviewed and clarified user stories to reflect the project more accurately.
- Performed heuristic analysis to see which areas of the project could be improved upon.

## Obstacles we faced:

- No obstacles.
