Group 1 - Sprint 5 review report

(Samuel Sarimo, Niko Mehiläinen, Auri Laitinen)

Done tasks during this sprint:

- Language switching dropdown functionality

- Externalize and translate to-be-translated texts

- ResourceBundles for Japanese, Persian, Finnish and English

- Implement ResourceBundle-translation use program-wide

- Implement LTR/RTL UI mode

- Remove "Upcoming events"

- Update README.md to include instructions for selecting languages
